Dear Ms. LaPratte:

Re: West Ipperwash Property Owners Association

Further to our telephone conversation yesterday, I wish to confirm my advice to you that your letter dated February 13, 1994 was not received by us until February 23, 1994.

As requested, I would appreciate it if you would forward to me as soon as you receive them copies of the 2 reports prepared by Staff Sergeant Melton. Did you receive a response from the Attorney General or anyone on her behalf? If so, please forward a copy to me.

Yours very truly,

W. A. Derry Millar
